Re: Notice Regarding Deployment

Dear Ms. Dortch:

Ligado Networks LLC (“Ligado”) submits this letter to notify the Commission and other interested parties that it is not intending to move forward with its trial deployment in northern Virginia. Ligado has reached this decision to allow time for the company’s discussions with the National Telecommunications and Information Administration, acting in its statutory role on behalf of the Executive Branch, to resolve in a fair and reasonable manner issues relating to the government’s ongoing use of Ligado’s terrestrial spectrum.

Please direct any questions to the undersigned.

Sincerely,

/s/ Gerard J. Waldron
